## RAIVER ROAD & other stories

A One Woman Show

"compassionate and humorous  
...her stories...as artfully told  
as a written vignette  
...the most moving lyrics and songs  
silenced the audience and  
made one either cry or laugh.

Her songs and stories serve to  
preserve a vital piece  
of Canada's heritage  
...this terrific show,  
*River Road And Other Stories*  
is a wonderful, enjoyable  
venue for the whole family.  
Standing ovation."
