

"Quite simply, **A Quartette Christmas** lifts my spirits. I find the wonderful songs and perfect harmonies so moving—this is when I truly experience the beauty of the Christmas season."

"The highlight of our 100th Anniversary year celebration was the musical gift of Quartette's Christmas Show the evening before Advent. The enchanted evening embraced everyone in attendance with the Christmas Spirit through gathering and song. The sold-out performance led to a second show in a community of 2400 people and I would recommend such a gift to any community."

"I watched as four superb vocalists walked onto our stage and with quiet elegance and incredible harmonies, held our audience spellbound for the next two hours. That is the incredible gift of Quartette."
